BOILER SOLUTIONS - EQUIPMENT SALES

- **Steam & Hot Water**
- Firetube Boilers; Wet & Dry-Back
- Commercial Boilers; Condensing and Non-Condensing Designs
- Industrial Watertube Boilers
- Electrode Boilers
- Profire® Burners
- Economizers
- State-of-the-Art Controls for complete boiler plant

- Commercial gas fired hydronic heating boilers; Condensing and Non-Condensing Designs
- Commercial Gas fired swimming pool water heater and spa heaters
- High Efficiency Water Heaters
- Controls and accessories

- Chimney Automation Systems for Boilers - Factory Engineered
- Modulating Boiler Room Combustion Air Systems
- Modulating Draft Controls
- Commercial Drier Venting
- Venting System Solutions

- Deaerators
- Boiler Feed systems
- Surge Tanks

- **Steam & Hot Water**
- Custom Factory Assembled Skid Mounted Boiler Plants
- Pulse Technology
- Vertical Tubeless Boilers
- Electric Boilers
- Alternate Fuel Capabilities
- Thermal Fluid Heat Transfer

Preferred Instruments

- Controllers, instruments, and actuators for combustion and process applications.
- Control systems integration
- PC-based Supervisory Control and Data Acquisition systems, SCADA

- Boiler Breeching & Stacks.
- UL Listed Positive, Neutral and Negative Pressure Vent Systems
- Grease Duct
- Engine Exhaust Systems

Energy efficient equipment

- Feed water heaters
- Condensing economizers
- On-demand economizers
- 90% efficiency retrofits
- Transport Membrane Condenser, TMC

Patterson-Kelley Boilers & Water Heaters

- Non-Condensing Designs
- Condensing Designs
- Modular High Efficiency Boiler Plants
- Full Modulation
- Dual Fuel Capability

Fuel Oil Handling

- Customized fuel oil pumping, filtration and heating systems for emergency electrical generators, fire pumps and boiler systems
- Oil tank gauging and leak detection equipment

- AL 29-4C Stainless-Steel Gas Venting Systems for high efficiency, sealed combustion, condensing boilers.
- Single & Double wall venting
- Chimney Liners
- Job Specific AutoCAD Drawings

- Commercial and industrial water treatment solutions
- Media filtration
- Water softening
- Dealkalization & deionization
- Odor reduction
- pH neutralization

24-HOUR SERVICE & PARTS

Our trucks are fully-stocked with critical components and centrally dispatched for rapid response to keep you on-line. With 200 years of combined factory trained and authorized service experience, we specialize in all makes of boilers, auxiliary equipment and accessories.

Factory Authorized Services

- 24/7 Emergency Service & Repair
- Quality OEM Replacement Parts
- Combustion & Efficiency Testing
- Burner Upgrades, Conversions
- Preventative Maintenance Agreements
- Customized Operator Training, Your Facility or Ours
- Low NO_x expertise
- Boiler Room Automation
- Instrument Calibration
- PLC Programming
- System Troubleshooting
- Start-up and Warranty Support
- Emission Compliance Testing & Documentation

Only original (OEM) quality parts are stocked to provide the highest degree of confidence in your boiler room uptime. Complete gasket kits for waterside and fireside care of Cleaver-Brooks Boilers, and many others, are readily available.

➔ *Don't see what you need?* Call us and put our sourcing capability to work for you.
